## Gillnet haulers

Meydam offers a wide range of gillnet haulers, with pull of 300kg to 3tons. Our gillnet haulers are produced in stainless steel to withstand the hard stress in today's fishing industry.

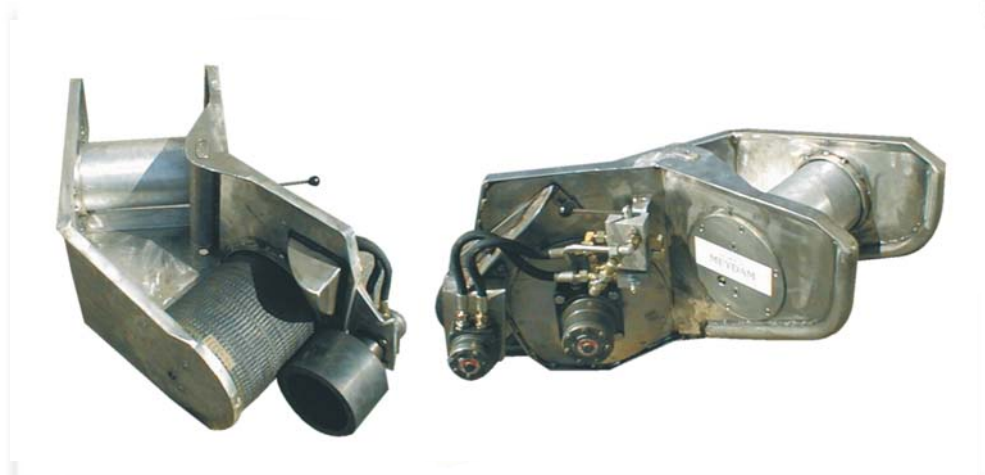

Gillnet haulers 800 kg.

All gillnet haulers from 800kg and above are delivered with a hydraulic tilt and hydraulic pressure operated wheel included in the price.

The 300kg is delivered with a stainless foot for rail installation. Stainless steel, powerful construction, low weight and correct price.

Known for high quality and guaranteed for life against rust.

Gillnet haulers 300 kg.

# Gillnet haulers

## New series of big gillnet haulers

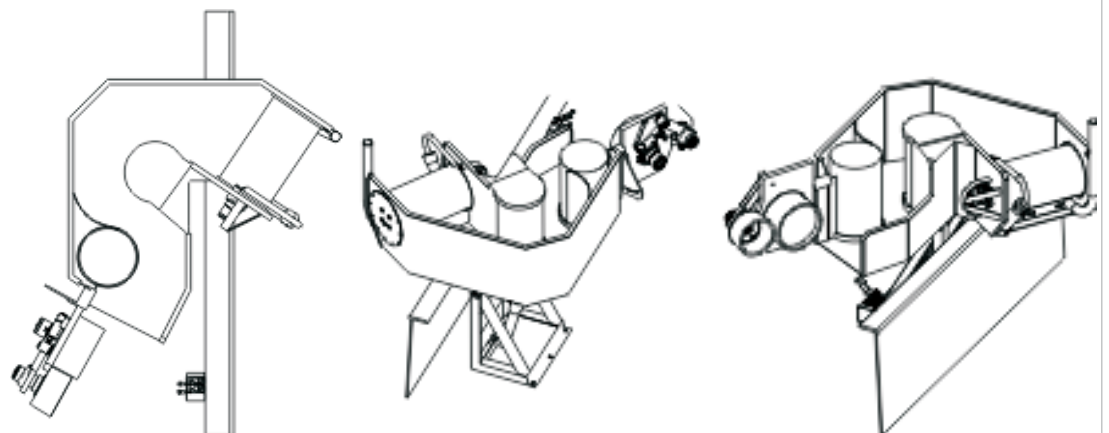

Our new series of gillnet haulers have become a huge success. The haulers are made with pull of 1200, 2000 and 2800kg.

The haulers are made with the same ground measurements, but with individual technical solutions for each hauler.

The new Meydam series have taken the leading position in the market of gillnet haulers.

Contact us or one of our distributors for a offer.

Known for high quality and guaranteed for life against rust.
